## **Grade 1 French Immersion Registration 2024**

Our board website is updated with registration information for the 2024 school year. Please click this link to view the [Registration Presentation](#).

- Please note that a student's French Immersion School is determined by their primary address.
- The attendance area for some English schools feeds into more than one French Immersion school depending on each student's primary address.
- Parents/caregivers are encouraged to visit the TVDSB website to access [the "Find My School"](#) tool in order to determine their designated French Immersion School.
- Grade 1 is the only possible entry point into the French Immersion Program, unless a student is coming directly from a program where at least 50% of the instruction has been in French.
- We encourage all parents/caregivers to register their child during the designated registration window of **Monday, January 15th to Friday, February 2nd, 2024**, to facilitate adequate staffing for the new school year.
- The last possible date for Grade 1 French Immersion Registration is September 30th of the year of registration.
- Students must be 6 years of age by December 31st, 2024, to register for Grade 1.
