

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on supporting and honouring the diversity of experiences and perspectives within our school population.

We are doing this to promote the development of a more inclusive school community where all students feel safe, valued, respected and heard.

Throughout the year, we will be:

1. Involving our students in student-led, school-wide initiatives to address inclusivity.
2. Celebrating our diversity through school community based opportunities (involving our community partners).
3. Acknowledging positive acts of kindness and gratitude, using our ROAR traits, within the school community and beyond.

Community/Home Connections

Ask your child about how they “ROARed” throughout the day.

Join us for our community events.
